

Alain Glet

FULL TIME INDUSTRIAL CARPET CLEANER

I joined Kleeneze in December 2007 because I needed an extra £50 a week to help with the bills I work 40hrs a week as a carpet cleaner all over the country and finding a part time job was not an option as I could not guarantee what time I would start or finish a carpet and overtime was not always available Kleeneze was flexible and I could do it around my full time job by following the system by Delivering & Collecting Catalogues I can now regularly earn the £50 a week I was looking for.
