Full Time: Postal Services

I joined Kleeneze after hearing about a friend of mine's visit to a monthly opportunity meeting. I then quizzed my sponsor about the business and liked what I heard so I joined.

This is my income cheque for my first 3 weeks with Kleeneze, I simply put into practice the plan my sponsor made with me and the cheque is the outcome.

My long term goal is to build a business which enables me to leave my job and do Kleeneze full time and within 3 weeks I have built the belief that I can do that. When you join, you tell your sponsor what you would like to earn and they work with you to make a plan for you to achieve that in the spare time you have available, it really is that simple.

If I can work Kleeneze around my son and my full time job, then so can you. What have you got to lose???
